WHEN: BEGINNING SUNDAY, OCTOBER 24, 2010 THROUGH

WHERE: JUST NORTH OF THE INTERSECTION OF STATE ROUTE 198 AND
7TH AVENUE IN KINGS COUNTY

The California Department of Transportation (Caltrans) in cooperation with Flatiron Construction will temporarily close 7th Avenue just north of State Route 198 for approximately three months as part of the State Route 198 Hanford Expressway Widening Project in Kings County.

Closure will be as follows (weather permitting):

Beginning Sunday, October 24, 2010, construction crews will close approximately 300 feet of 7th Avenue to through traffic, just north of State Route 198. This temporary closure is anticipated to last approximately 3 months and reopen in mid-January.

This closure will prevent traffic from traveling north onto 7th Avenue from State Route 198. Commuters are encouraged to take State Route 43 as an alternate route.

Caltrans would like to thank the residents and commuters for their patience during this improvement project. The public is asked to drive with extra care while traveling through the construction area and please **Slow of the Cone Zone**.
